*We now accept MasterCard, Visa, and Discover debit and credit cards for payments of \$1,000 or less.*

*Payments will be accepted in person only; no payments over the phone.*

*We are excited to be able to offer this service to our customers and hope it will make your business with the City more convenient. Please let us know at City Hall if you have any questions about this service.*

## THANK YOU TO PEPSI NORTHWEST

The City would like to give a huge “thank you!” to our very own Mt. Angel Pepsi Northwest Beverages for all their work sprucing up Fisher Park on September 28<sup>th</sup>. The Pepsi team donated volunteer time and \$5000 for materials to add new bark dust, clean up the play structures and do many other projects to spruce up the park. Pepsi did a similar clean-up day last year in Humpert Park and the City greatly appreciates Pepsi’s continued generous support of our city parks. This project helps us reach the City Council’s goal to “Improve and Enhance the Livability of the Community” by maintaining safe, attractive play equipment and park facilities. We especially want to thank Al Fiedler from Pepsi for making these events happen.

### **Have you changed your phone number since you signed up for water service?**

City staff has found that the contact phone numbers on water accounts are often outdated. Please confirm your phone number on your account; this way we can notify you if you have an unusually high water bill. This can alert you to a leak and can save you money by catching it sooner.

If you have any questions about your water account, please call us at 503-845-9291.
